DUBAI'S *rare* FLOWER

In the quiet of the desert,
life gathers, greenery rises, colour returns.
Your oasis, chosen not by chance,
but by instinct.

OUR INSPIRATION

INSPIRED BY JACOB & CO'S SIGNATURE TIMEPIECE,
FLEURS DE JARDIN MOVES WITH INTENTION,
AN EVER-CHANGING LANDSCAPE WHERE FORM,
LIGHT AND COLOUR COME ALIVE.

Set within the lush gardens of Meydan, just 25 villas and mansions are crafted with bespoke finishes and refined detail, designed to be lived in fully.

Like a secret garden, manicured landscapes and winding pathways invite connection and retreat, offering rare privacy and a life that moves at a more intentional pace.

A GARDEN ADDRESS WITH *the city* BEYOND

Fleurs de Jardin is nestled within District 11, Meydan, placing it in one of Dubai's most established and well-positioned residential districts. A setting where the city remains close, yet never intrusive.

Envisioned by His Highness Sheikh Mohammed Bin Rashid Al Maktoum, Meydan is recognised for its scale, openness and long-term vision.

Expansive landscapes, wide boulevards and generous green spaces shape an environment that feels considered and quietly prestigious.

True craft begins with restraint.
What to refine.
What to perfect.
What to leave untouched.
This is rarity, by design.

REFINED *living*, WITHOUT INTERRUPTION

Contemporary architecture is softened by natural light and garden views, creating interiors that balance comfort with quiet sophistication. Generous layouts extend to terraces framed by layered planting.

At the heart of the home, a bespoke kitchen with refined cabinetry and Italian stone is paired with discreet smart technology for effortless control.

SCULPTED TO *Elevate*

A staircase designed as a defining architectural gesture

With its flowing silhouette and commanding presence, the staircase introduces a sense of artistry at the heart of the residence. More than a functional feature, it expresses the mansion’s refined character through form, proportion, and timeless elegance.

WHERE *time* SLOWS DOWN

Bedrooms at Fleurs de Jardin are conceived as private retreats, designed to slow the pace and invite rest. Soft natural light, generous proportions and garden-facing views create spaces that feel calm and personal, removed from the rhythm of the day. Bespoke wardrobes, refined finishes and carefully considered lighting support an atmosphere of quiet luxury, where comfort is intuitive and every detail feels intentional.

A private sanctuary shaped by calm elegance and refined comfort. The master bedroom pairs sculpted design, warm materiality, and a serene atmosphere to create a space that feels both intimate and exceptional.

IN BALANCE *with* *the* ELEMENTS

Bathrooms and en-suites are designed as moments of pause within the home.

Tactile surfaces, freestanding bathtubs and walk-in showers create a sense of serenity, while clean-lined fittings and concealed details keep the space uncluttered and serene. Every element is considered to support a daily ritual that feels restorative, private and refined.

A Welcome in Refined Comfort

Thoughtfully designed to welcome with understated luxury. The guest bedroom blends soft tones, refined detailing, and quiet sophistication, offering a stay defined by comfort, privacy, and style.

LIFE, *in full* BLOOM

Outdoor living is as much felt as experienced. Flowering terraces, swaying palms and layered greenery wrap each home in colour and scent, where soft pinks, deep greens and natural stone feel cultivated rather than constructed.

Expansive openings blur inside and out, allowing light and air to move freely through spaces that are sensory and quietly enchanting.
