An aerial photograph of a beach. The top half of the image shows deep turquoise water with a textured, rippled surface. The bottom half shows a sandy beach with light-colored sand and some darker, wet sand areas. A thin line of white surf separates the water from the sand. The text "CALM AND SERENE" is written in a large, white, serif font across the middle of the image, and "BEACH LIVING" is written in a similar font below it.

A SANCTUARY OF ESCAPISM

Marina Vista occupies the most prestigious location. It's one of the first residences at the entry point to the island and nearest to Dubai Marina. Visit the marina by foot, car or yacht, or slip into a city adventure via Sheikh Zayed Road, which is just an interchange and two traffic lights away. Or simply spend a day on the delicate white beach lapped by the azure blue sea.

CAPTIVATING PANORAMIC VIEWS

Wake up to the sunrise over a bay filled with sailboats. Throw a memorable social gathering with the backdrop of the alluring Dubai Marina and its shimmering lights. Or revel in the sunset vistas over the glimmering Arabian Sea. All apartment views at Marina Vista are unmatched and enchantingly beautiful.

EXQUISITE BEYOND WORDS

Marina Vista is conceived with true lovers of summer in mind. Clean lines and expansive glass panels give it its reputation as the most contemporary of the collection. Rooms basking in sunlight, easygoing textures and a shore-inspired palette of white, beige and blues further contributes to its 'endless summer' vibe.
