THE VILLAS

Along the shores of Palm Jebel Ali, the villa collection captures the essence of elevated coastal living. Inspired by the horizon and designed as sanctuaries of light and space, each residence redefines what it means to live by the water. Private retreats are shaped for modern life, yet timeless in spirit.

THE BEACH COLLECTION

A FRESH VISION FOR
WATERFRONT LIVING

The Beach Collection on Palm Jebel Ali brings the coast into every moment. Set amidst timeless vistas and layered architecture, these homes open onto pristine shores with panoramic views. Designed for effortless living, connection, and quiet luxury, these 5- and 6-bedroom homes offer seamless access to the vibrant energy of Palm Jebel Ali.

DISCOVER SEASIDE SERENITY

Each villa transcends the notion of home — a space bathed in light and imbued with a sense of calm and grace. Flowing interiors and expansive glass elevations draw in natural light and frame sweeping views of Palm Jebel Ali. Every detail is meticulously crafted to balance refined design, lasting comfort, and enduring sophistication.

WHERE THE OCEAN FEELS LIKE HOME

Cyan Sky isn't just built beside the sea, it moves with it. Its distinctive cubic form rises boldly from the shoreline, a sculptural statement that captures the horizon from every angle and draws the calm, energising presence of the sea directly into the home.

LIGHT THAT LIVES WITH YOU

Inside, natural light pours through grand windows, opening the home to uninterrupted views. Soft tones and refined finishes bring a sense of ease, while horizon-facing terraces extend the living experience outdoors, creating a seamless flow between sanctuary and shoreline.

A HOME EMBRACED BY THE SEA

At Ocean Whisper, the villa's expansive glazing bathes each room in natural sunlight while framing uninterrupted sea views. Residents are invited to experience a serene coastal ambiance where indoor and outdoor spaces seamlessly merge, offering a tranquil living experience.

LIVING FLOWS NATURALLY

A floating staircase becomes the centrepiece, connecting levels while allowing light to dance across its sculptural form. Expansive interiors flow seamlessly into private gardens and shaded terraces, blurring the line between indoor and outdoor living. Designed for ease and intimacy, the spaces invite moments of quiet retreat as naturally as they host gatherings by the sea.

LIVING, NATURALLY SHAPED

Defined by bold horizontal lines and floor-to-ceiling windows, the villa presents uninterrupted sea views while creating shaded, open-air living spaces along the beachfront. A raised entry reveals a sky-high arrival hall, leading to formal lounges and dining areas set against lush gardens and a serene pool.

EMBRACING OUTDOORS

Private family spaces extend into the garden beneath wooden slats that frame the horizon and invite the outdoors in. Soaring double-height ceilings fill the interiors with light, creating a seamless balance of grandeur, comfort, and modern elegance.

This detailed floor plan illustrates a large residential property, likely a resort or a large estate, featuring a variety of indoor and outdoor spaces. The layout is organized into several distinct sections:

- Outdoor Areas:** A large swimming pool is situated in the upper left, accompanied by a seating area. To the right of the pool is another seating area. Further right is an outdoor living space with a BBQ area and additional seating. A utility block is located at the bottom right.
- Indoor Living Spaces:** The central part of the plan features a formal lounge (11.1 x 6.4m) and a formal dining area (7.3 x 4.8m). Adjacent to these are a family dining room (3.8 x 5.6m) and a kitchen (6.7 x 4.2m). A pantry (6.0 x 3.0m) and laundry room (3.2 x 1.8m) are also included.
- Bedrooms and Bathrooms:** The plan includes a guest bedroom (5.0 x 4.5m), a study (3.1 x 4.9m), a bathroom (3.6 x 2.4m), a powder room (2.8 x 1.3m), a maid's room (3.3 x 2.7m), and a driver's room (3.4 x 2.4m). There are also two additional bathrooms.
- Entrances and Circulation:** The main entrance is located at the bottom center, leading into an entry foyer. A lift is positioned near the center of the plan, and a pump is located near the kitchen area.
- Parking and Storage:** A large garage (12.9 x 6.3m) is situated at the bottom, with tandem parking spaces nearby. A utility block is located at the bottom right.

The plan also shows various outdoor seating areas, a BBQ area, and a utility block, providing a comprehensive view of the property's layout and amenities.

The second floor plan includes the following rooms and areas:

- BALCONY** 11.8 X 2.2m (top left)
- BEDROOM 02** 5.0 X 4.2m (top center)
- BEDROOM 03** 5.9 X 4.0m (top left, below balcony)
