

A Singular Masterpiece in the Sky

Introducing The Opus Penthouse by OMNIYAT

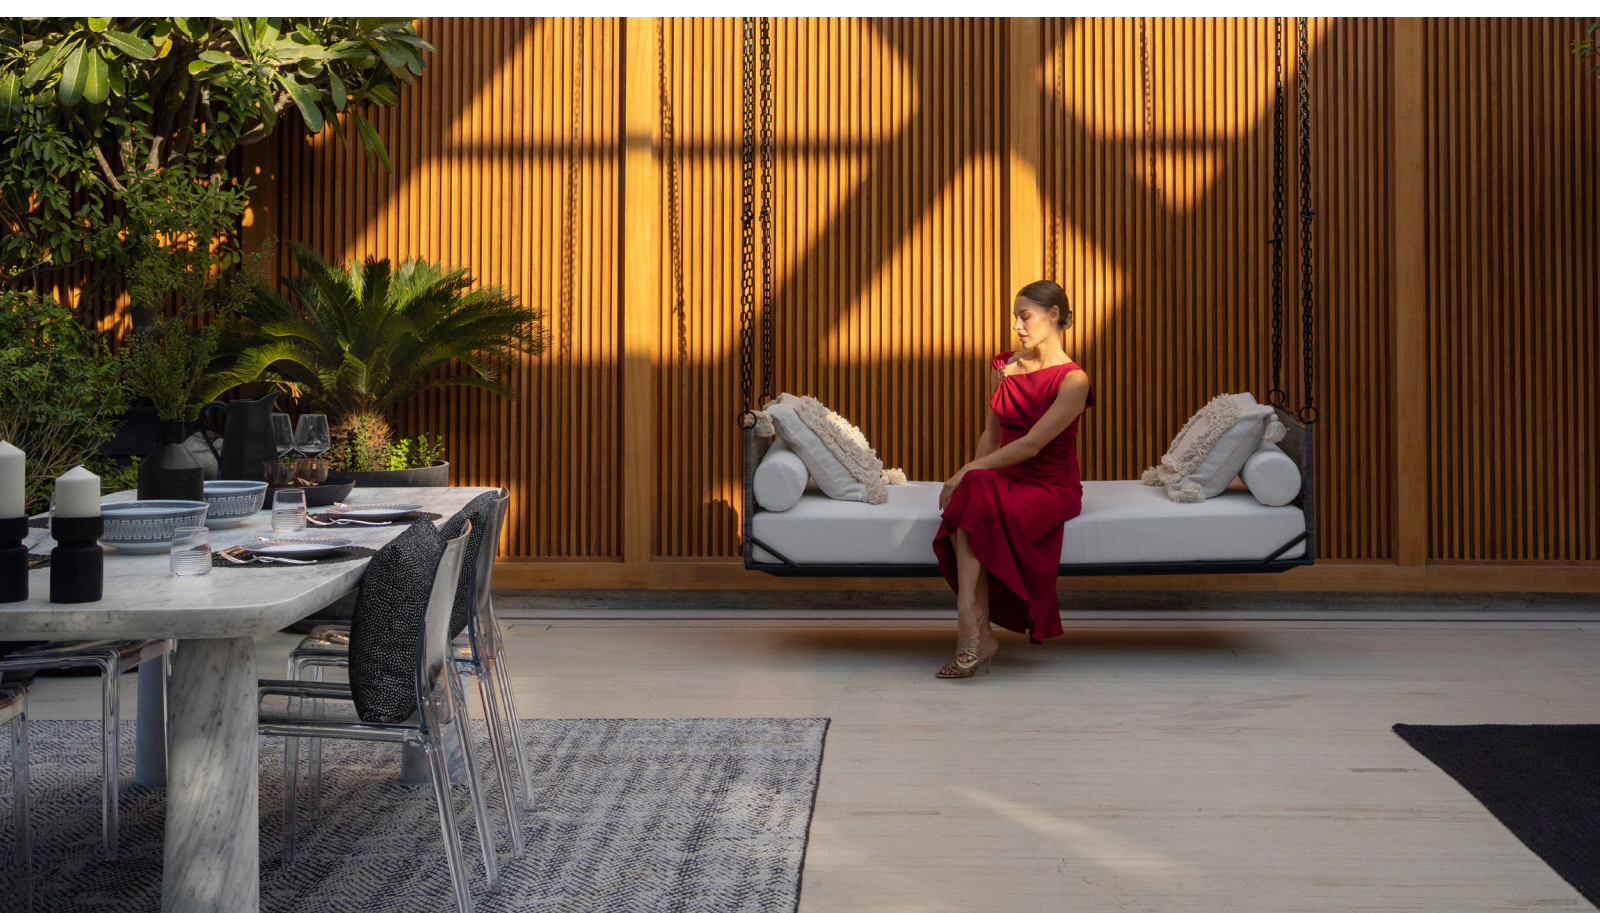

Designed in its entirety by the iconic Dame Zaha Hadid, The Opus by OMNIYAT is a celebrated landmark of contemporary architecture defined by its striking void, fluid geometry, and reflective façade.

A One of a Kind Creation Within a One of a Kind Masterpiece

With interiors designed and delivered by OMNIYAT Atelier, uniting the world's finest artists, artisans and luxury brands, this four-bedroom penthouse occupies 12,788 sq. ft. of luxury living space. The building's original trusses and beams are incorporated, preserving Zaha Hadid's original style and offering views that extend to the Opus' iconic void.
